

NEW YORK HIDEYO NOGUCHI MEMORIAL SCHOLARSHIP 2023

This scholarship is designed to support Japanese life scientists who are at the beginning of their careers who are pursuing a research career in in the US. The New York Hideyo Noguchi Memorial Society, Inc. (HNMS) was established in 2013 with the mission and goals: 1) to ensure the preservation and upkeep of Dr. Hideyo Noguchi's graveyard and its monument. 2) to pass on Dr. Hideyo Noguchi's achievements in medicine and his inspiration to future generations. 3) to inspire and support the children and students of Japanese descent who aspire to study medicine in the United States. 4) to strengthen cultural ties and connections between the United States and Japan.

HNMS is dedicated to awarding a scholarship each year to a budding Japanese scientist pursuing life science research that upholds the principle that guided Dr. Hideyo Noguchi- "Through devotion to science, he lived and died for humanity." HNMS is seeking outstanding applicants who are constant with its mission and goals.

Each application should be accompanied by a letter of recommendation from a mentor. The scholarship award is \$2,000. The recipient will be selected in early May and presented on Sunday May 21, 2023 on the Memorial Day of the passing of Dr. Noguchi. The recipient of the scholarship will be expected to attend the award ceremony and submit an annual progress report.

ELIGIBILITY:

- 1) The applicant must be a graduate student who is seeking MD and/or PhD degrees or non-faculty fellow with an MD and/or PhD degree(s).
- 2) The applicant must have been engaged in life science research.
- 3) The applicant must have prior higher education or life science training in Japan.
- 4) The applicant must be admitted to a graduate school or hired in an academic institution in the US.
